

Fun Fair 2012 !!!

Kids enjoy some fun with Sponge Bob Square Pants as he makes a special appearance at the 2011 Fun Fair at NGES!

NGES PTG Announces Fun Fair 2012! Saturday, MAY 12th from 10-3pm

Fun Fair is the largest fund raiser for NGES during the year and requires a tremendous amount of parent support.

Toward the end of each year, the NGES PTG (all parents of NGES) get together to bring our community one of the biggest events of the year in Grafton. This is a community wide event that supports the kids of NGES. It is our largest fund raiser of the year and typically brings in approximately \$20,000!

This event includes games, crafts, rides, food from local businesses, a huge silent auction, lots of incredible raffle prizes, entertainment and much more.

An event like this can't happen without the support of parents and other volunteers. The event is held on a Saturday, so parents and family members who work can still help with the event. Even if it is only for an hour during the event, your help is greatly appreciated.

All proceeds from the event go toward your child's enrichment programs and other various events/programs/ supplies that take place or are needed

throughout the year. This event directly benefits all children of NGES.

An event like this takes months to plan and requires hundreds of volunteers, so it is never too early to let us know you wish to help!
